

Hey

DK Daniel Kim

Capo 1 - C

C# Fm
You know, things won't always be this way
Bbm7 F#maj7
Because these things they absolutely must change
People have always been this low
People have always been a little blind and slow

G#3 Bbm7
One day this will change
F#maj7
Because we will all be changed
We'll meet on the same plane
And from a closer distance say

Bbm7 C#maj7/C C# (x3) F#maj7
Hey.... (x4)

Don't want to waste our time with words
I'd rather make it right, invite you in
My answer when we answer to the things we've done
I hope is void of questions from the love not done
